**Sub: Intimation under Regulation 30 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 – Resumption of operations**

This has reference to our letter dated 24<sup>th</sup> March 2020 vide which we had intimated about the suspension of operations in our manufacturing units in light of COVID-19 outbreak.

The Ministry of Home Affairs ("MHA"), Government of India, vide order dated 15<sup>th</sup> April 2020, has issued revised consolidated Guidelines under which Industries/Industrial Establishments including continuous process industries and their supply chains have been allowed to resume their operations.

We wish to update that in line with the directions issued by the government and after obtaining permission of the district administration, the Company has resumed partial operations in some of its manufacturing units and is in the process of doing so for the other units. The Company will gradually step up its operations depending upon the directions being issued by the government from time to time and the market demand.

Please note that the employees based at the corporate office and sales offices continue to work from their homes.

As a responsible corporate citizen, the Company is taking utmost care to ensure health and safety of its employees and business associates and is fully committed to the wellbeing of its people including the society at large and will do everything possible to support the Government overcome the challenge faced by our Nation.
